Sir,

My honest comment on the matter of "Consultation Paper No.: 01/2015 Consultation Paper on Reserve Price for auction of FM Radio channels in New Cities 6th February, 2015". our cities (Imphal) category lies C and GSDP category is L and valuation base per capita GSDP become 92 lakhs so that our state Imphal is a purely border state city so we like to include our city in **border area category**. The Starting bidding price is too high in participate in the eTendering and interest of private radio owner is too less or due to unawareness. If our city falls under same category, no one will surely to participate in this tender.sir, i m interest on this but under the category of border city, i can participated in this tender. pls kindly consider/modified the said city category.

thanks with regards
