Sub---Regarding Sending hardcopy with call details of my postpaid mobile bill in this month again despite my repeated requests not to send hardcopy in last two years-----continuous ignoring of my repeated requests submitted to GM receipt office---for sending my postpaid mobile e-bill only NOT SENDING HARDCOPY AT ALL

Ref--This March bill again received in hardcopy

Dear Sir,

In my several emails including last email on 19 Feb 2013 attached, I requested not to send hardcopy of my postpaid bill at all.Despite this , once again I received hard copy.

Kindly take action against officials liable for keeping my security at stake and disclosure of my details by sending hard copy of bill again and again under rules else I will be compelled to initiate legal action.

Ref--During last two years, several requests submitted for strictly stopping my detailed mobile bill by hardcopy and sending it by email only

Respected Sir,

It is very unfortunate that my continuous requests is being ignored by your office till date in last two years for sending my post mobile detailed e-bill (not sending hardcopy by post at all).

Kindly take proper action by fixing liability of guilty officials for such deliberate ignorence and send me action taken details against such employees.
