Subject: Consultation Paper on "Distribution of TV Channels from Broadcasters to Platform Operators(comments)

To,
Mr. Wasi Ahmad,
Advisor (B&CS),
Telecom Regulatory Authority of India,

New Delhi – 110002,

Dear Sir,

With reference to the subject mentioned above, I would like to present my thought on it. I completely vote in favour this. Demerge of the distribution companies will break the monopoly of the companies and these companies will not be ruling the industry on their terms. As a result of mergers, on the name of cost cutting, companies are terminating their years old employees. Now demerge will bring more employment to the distribution industry, and employees will get a platform to work smoothly. In turn, Govt. will get more tax from them.

Thanks
Rantu Deb
