Ref. No. DPO / 01 / 2018  
Date: 08 February 2018

Mr. Sanjeev Banzall,  
Advisor (CA/IT)  
Mahangar Doorsancha Bhawan, Jawahar Lal Nehru Marg,  
Old Minto Road , New Delhi- 110002.

Sir,

Reference to letter of even No. 358-2/2017-CA/39/764 dated 23.01.2018 regarding suggestion and inputs for making information and communications technology (ICT) for PwDs.

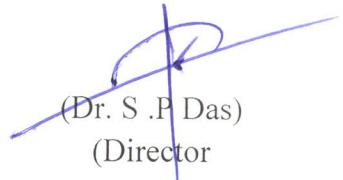

That, the ubiquitous telecommunication Technology and Broad casting services is a necessary milestone for PwDs. It is mandatory for the inclusive society which involves provision of equal opportunity to all section of the society irrespective of their physical identity and more specifically for Diblyangjan.

Suggestion/ Comments towards implementation of information communication technology (ICT) for PwDs.

1. E-Accessibility policy must be implemented for PwDs along with necessary modification to various public Electronic communicating devices for making the PwDs easy accessible.
2. Simplification of text materials towards communication of PwDs.
3. Speech active technology may be adopted for easy operation and understanding of PwDs.
4. For dexterity based disabilities special type of modification in respect of reaching and operating the gadgets to be modified as per the requirement of PwDs with respect to there average physical parameters.
5. Create awareness, universal electronic accessibility and universal design which may include the disability measure.
6. Capacity building and infrastructure development within the vicinity of PwDs requirements.

Thanking You,

Yours faithfully

  
(Dr. S.P Das)  
(Director)
